Seeking Volunteer Members of the Complaint Screening Committee

The New Hampshire Supreme Court seeks applications from attorneys and non-attorneys interested in serving on the Attorney Discipline Systems' Complaint Screening Committee. Beginning on January 1, 2022, there will be openings for two attorneys to serve on the Complaint Screening Committee for three-year terms, and one opening for a non-attorney member to serve a three-year term. The Court encourages volunteers who have not previously served on the Committees of the Supreme Court to apply.

The Committee, established by New Hampshire Supreme Court Rule ("Rule") 37, considers and acts on requests for reconsideration filed by grievants following a decision by the Attorney Discipline Office's general counsel not to docket a matter as a complaint. In addition, Committee members will consider and act on reports by Attorney Discipline Office staff members with respect to docketed complaints; remove from the docket matters that the Committee determines are not within the jurisdiction of the Attorney Discipline System or that do not meet the requirements for docketing; recommend that matters be diverted; and refer complaints to disciplinary counsel for further investigation and potential hearing.

Committee members attend one meeting per month. This is a volunteer position. A complete description of the Attorney Discipline System, the role of the Complaint Screening Committee, as well as the Application to serve on the Committee, can be found on the Attorney Discipline System website: [www.nhattyreg.org](http://www.nhattyreg.org). Appointments to the Committees are made by the Supreme Court.

Individuals interested in being considered for appointment to the Committee should complete the Application and submit it to the Attorney Discipline Office by December 8, 2021. Applications can be mailed to the Attorney Discipline Office at the following address: NH Supreme Court Attorney Discipline Office, Attn: Kathy Cleveland, 4 Chenell Drive, Suite 102, Concord, NH 03301; or emailed to the Attorney Discipline Office at the following email address: [info@nhattyreg.org](mailto:info@nhattyreg.org).
